- The balance of the Service Fee (\$1500+GST NZD) is payable before the first shipment of semen is sent.
- There is no Collection Fee for the first shipment of semen. Each subsequent shipment will be liable for a \$200+GST NZD Collection Fee (this covers semen collection, preparation, packaging etc).
- Transport Fees will be invoiced to the Mare Owner for each shipment of semen.

SEMEN RESERVATIONS:

- Payment of the Service Fee confirms your mare's reservation to be bred to **EURO SPORT KALASKA** in the breeding season extending from 1st September 2020 until 1st April 2021. Collections past this time by arrangement with Euro Sport Horses only.
- Please check semen availability in advance as **EURO SPORT KALASKA** may be away competing from time-to-time during the breeding season. This information will also be available on our website and facebook page.

CONDITIONS OF RETURN SERVICE & LIVE FOAL GUARANTEE:

- 1. If your Mare fails to get in foal, another mare may be nominated with permission from Euro Sport Horses in the same season as long as it falls within the time frame given under semen reservations. A vet certificate would be required.

- 2. If your Mare fails to get in foal she will be accepted for the 2021/22 season and **will not** be liable for another booking fee. You will be liable for associated collection and shipping costs.
- 3. If your Mare produces a live foal that is unable to stand or suckle and it subsequently dies within 24 hours, your Mare is eligible for a return service. A veterinary certificate must be provided to Euro Sport Horses within 10 days of the foal's death. This certificate must also state that the mare was properly cared for during gestation and was attended at foaling. Failure to provide the certificate within the given period will make the return of service null and void.
- 4. All rights of return to **EURO SPORT KALASKA** do not include collection and transport fees.

REFUND OF FEES:

The Mare Owner will be entitled to a refund of the Service Fee if **EURO SPORT KALASKA** dies or becomes unfit for service prior to your Mare receiving semen in the 2020/21 breeding season.

Euro Sport Horses will not be liable for lost, damaged or delayed semen due to circumstances beyond their control.

ISSUE OF BREEDING CERTIFICATE:

One Breeding Certificate will be issued for this contract. This will pertain to the Mare described in the contract. This will be provided once the Mare is tested 42 days in foal and all outstanding invoices have been paid by the Mare Owner.
